

## How to find us

With the exception of the first Monday in every month, the Westcliff Film and Video Club meets on Monday evenings between September and May at 8.00pm (Registration 7.45pm) at the Wyburn School, Nevern Road, Rayleigh, Essex.

The school is located at the end of Nevern Road. The only access from Eastwood Road is via Chaseside.

If you are travelling towards Southend via the A127, the quickest route is to by-pass Rayleigh Town Centre by continuing until you have driven through the underpass at the junction of the A129 (Rayleigh Weir) and then take the next left into Daws Heath Road. (Although the map shows a turning into the industrial estate, this no longer exists) This is a tight and awkward turn which is obscured by trees until you are almost upon it. If you miss it, you quickly enter a residential area with many other turnings on the left that link the A127 with the Eastwood Road so its easy to back track. If you use a Satellite Navigation System the schools co-ordinates are:-

51° 34' 39.7"N - 0° 37' 14.1"E
