News of Westcliff from Publicity Officer, Chris Taylor: May 2004

Awards Night just 12 days Away! Saturday May 22nd!

The Awards Night this year is at The Mill Hall in Rayleigh, on Saturday week, and promises to be a great evening. Those of you have 'booked' are assured of a good evening, but if you are still 'thinking' please do come and support your fellow members when they step up to collect their awards. Tickets this year are just £7.50! Remember that you'll have a tasty buffet at the beginning of the evening (8pm) and then the presentation ceremony will begin, with the chance to see clips of all the films and the awards themselves being presented by Jeremy Beadle himself. After that, Jeremy would like to tell us about some of his ideas for a new TV programme that he may ask us to help with. Just to clarify the timings shown on the advert and poster, the 'doors open' at 7.30 to get drinks etc. and settle down, and the buffet will be served at 8 o'clock. Please do arrive in plenty of time....we are looking forward to seeing you!

Shhhhhhh!!!!!!! Cheap video DVD – VCR Combos!

Walking round Safeway's Eastwood store this afternoon (Sunday May 9) (it's the store near to our old meeting place) I heard one member of staff tell another....'*those are ninety quid today but we're dropping them to £69.95 tomorrow!*' The '*they*' in question were DVD-VCR combo machines of a make I hadn't heard of, but 70 quid seemed a good deal. After all, if it only lasts the 12 month warranty period, that's only £1.35 a week!

Coach trip on the go!

Bookings for our coach outing are coming in for July 3rd. To assure your place to visit the BBC please do contact John Eaton ASAP his e-mail is: john.g.eaton@btinternet.com or see him at the meeting of May 10 or certainly by the AGM on May 22nd as early booking of the BBC centre tour is essential.

AGM: A very important evening

The AGM is on the 17th May and is a very important meeting indeed. Please do support your club and bring your thoughts and suggestions with you. While formal proposals had to be in 14 days in advance (we have just one) , the new committee badly need your input on how the club should operate in the season ahead. We have some big changes in the committee line-up so it's important that all members do have an input. BE THERE!.....Please!

Have we got your details right!

If we are to keep you up-dated on what's going on at Westcliff we must keep your details right. Please ensure that we have any address change details, and those for E-mail addresses and phone numbers. Leave a note at the front desk please to enable us to maintain the membership lists.
