

Holiday video marathon...

THE last thing most people want is to watch other people's holiday videos — but members of Westcliff Film and Video Club plan to sit through eight in one night!

It's in a good cause, though — they're judging the Hilton Cup home-movie competition.

Club spokesman Chris Taylor explained that all entries would be holiday documentaries shot on camcorders. Those that set out to amuse, interest or provoke the audience would do best.

He added: "If it was supposed to be humorous, did it make people laugh? If it set out to move the audience, did it make them cry?"

The contest is on March 21, at Wyburns School, Rayleigh, from 8pm. Call 01702 545207 for details.
